University Computer Club

Finding The University Computer Club

UCC is located in Cameron Hall above the Tavern. The easiest way to get there is to walk around the tavern's fence to the far side and then look for the stairwell. Cameron Hall is up these stairs.

Once you are at the top of the stairs you are in Cameron Hall. Look for the corridor with a vending machine, a coke machine and a bench with old computers on it. UCC is in the room next to the vending machine.

More information about the University Computer Club can be found on our website, ucc.asn.au, by visiting our stall on O'Day, or in our clubroom at any time. You can also phone the clubroom on (08) 6488 3901 or email the committee at [<committee@ucc.asn.au>](mailto:committee@ucc.asn.au).
